
At Shadow Valley, we provide a clear pathway for every junior to grow, from learning the basics to advanced competition and a lifelong love of tennis.

Our programs follow the USTA Youth Progression, using age and skill appropriate equipment, court sizes and instruction to help players develop strong fundamentals, athletic skills, confidence, sportsmanship, and resilience.

As players master new skills, they progress through each level with guidance from our experienced teaching professionals. Whether the goal is to enjoy the game, make a middle or high school team, compete in USTA tournaments, or play at the collegiate level, we're committed to helping every player reach their full potential.

Evaluation Hit

New players should schedule a complimentary evaluation hit before registering. This ensures proper class placement. Please call the front desk to schedule.
