

Shadow Valley's Junior Tennis Program is recognized as one of the finest organizations in the country for developing young tennis players. This system strengthens each player physically, mentally, and emotionally. Our classes simplify and advance players' strokes while teaching percentage patterns of play so students learn how to become tournament tough. Our pros have a career commitment to tennis and believe when presented properly, the game also teaches young men and women how to face the challenges they will encounter in life.

Safety Procedures for our Junior Programs

The Shadow Valley Staff is committed to a high level of safety for our young participants.

If your junior participant is not feeling well or is presenting symptoms, please keep them home. Our classes are sold in increments, and you may use those classes in any of the 3 summer sessions dates offered.

CLINIC POLICY

Summer camp participants must pay for at least one full session to participate.

Drop-ins/Daily rates are not offered during summer camp.

No credits or refunds will be issued. All classes purchased must be used before the end of summer sessions, as they do not rollover into fall sessions. Classes will be non-refundable after the drop date.
