

Shadow Valley's Junior Tennis Program is recognized as one of the finest organizations in the country for developing young tennis players. This system strengthens each player physically, mentally, and emotionally. Our classes simplify and advance players' strokes while teaching percentage patterns of play so students learn how to become tournament tough. Our pros have a career commitment to tennis and believe when presented properly, the game also teaches young men and women how to face the challenges they will encounter in life.

Safety Procedures for our Junior Programs

The Shadow Valley Staff is committed to a high level of safety for our young participants.

If your junior participant is not feeling well or is presenting symptoms, please keep them home. Our attendance policy states that once you have paid for a full session, you can roll make ups through the other 2 sessions.

Please call the club if you have any additional questions.

CLINIC POLICY

Summer camp participants must pay for at least one full session. If all 3 sessions cannot be attended, the classes may be spread out among the 3 sessions offered.

Drop- ins/Daily rates are not offered during summer camp. The total amount for one full session must be paid to participate.
